Subject: FW: Region IX knowing let pcb-laden ex-CGC Storis go to export in Mexico - has not arrived yet. Tug company wants direction

This note is lacking in detail but do you know anything about this issue?

Joyce,
In car, will send documentation when I get home, but Region IX really blew this. USCG hazmat survey memo states only unenclosed pcbs removed. Tug company does not want to break federal law delivering to Mexico but has contract with some fly-by-night company. Tug Company VP is Steve Fraily at Pacific Tug: (619) 840-2489.

Polly Parks
